

Earth Day Celebration

The Cullman County Soil and Water Conservation District held its annual earth day program at West Point elementary school on April 21, 2015. Six 3rd grade classes participated in the event in the elementary library.

Deborah Widner lead the group with the earth day birthday song, sung to the tune of the twelve days of Christmas. With each chorus a different animal was held up. (See copy of song)

Earth Day Birthday
sung to the tune of
The Twelve Days of Christmas
Traditional melody
words by Paige L. Schmeizer
